Personal Profile

A motivated and detail-oriented Front-End Developer with hands-on experience in building and maintaining responsive, user-friendly websites and web applications. Skilled in HTML, CSS, JavaScript, and modern frameworks, with a strong eye for design and usability. Reliable, adaptable, and able to collaborate effectively in a team environment. Seeking to contribute technical expertise and creativity to a dynamic development team in the UK.

Key Skills

• Proficiency in HTML5, CSS3, JavaScript (ES6+)
• Experience with React.js, responsive design, and cross-browser compatibility
• Knowledge of version control (Git/GitHub) and collaborative workflows
• Strong communication and teamwork skills
• Time management and ability to meet deadlines in fast-paced projects
• Attention to detail in UI/UX implementation
• Adaptability and continuous learning in emerging web technologies
• Physical stamina and reliability in demanding work environments

Work Experience

Front-End Developer
Abia TechHub Company, Abia State
July 2024 – June 2025
• Designed and developed responsive web pages using HTML, CSS, and JavaScript.
• Collaborated with designers and back-end developers to implement functional and user-friendly interfaces.
• Optimised websites for speed, scalability, and cross-browser compatibility.
• Used Git and GitHub for version control and team collaboration.
• Assisted in debugging, testing, and troubleshooting front-end issues.
• Applied attention to detail in ensuring mobile-friendly layouts and accessibility compliance.
• Contributed to team meetings, brainstorming sessions, and technical documentation.

Education

Michael Okpara University of Agriculture, Umudike, Abia State, Nigeria
B.Eng – Electrical and Electronics Engineering
November 2022
